Ebook Details:

Review: This book sucks, plain and simple. I could use fancier language, but why bother? Grisham didnt bother so I wont either. He admits in his brief authors note at the end of this dreadful novel that he hates doing research and reserves the right to just make stuff up if he cant get the info he wants with a single phone call. He also claims to have...

Description: The office of the public defender is not known as a training ground for bright young litigators. Clay Carter has been there too long and, like most of his colleagues, dreams of a better job in a real firm. When he reluctantly takes the case of a young man charged with a random street killing, he assumes it is just another of the many senseless murders...
